That would be helpful for you to make those changes – here is the draft. Ed is fine with the different format. I'll send to admin as soon as I get the version from you.

Hi Katie,

Bob's Section Chief took a look at caught a typo in Question 16. Can you add this to the current draft? Feel free to send me the current draft and I can add the High Mesa edits discussed in chat and this correction.

Thanks,
Victoria

We can just pass this along in an email to R10. (ORC SCs don't need to concur in ARD/ECAD-initiated 114s, but I think this is a good change and should be incorporated.)
